INDUSTRY EXPERIENCE

Jason leads Merito Group's client development efforts. He has a proven track record of success with over 15 years supporting C- Level Executives in middle market and Fortune 100 companies focused on growth across a wide variety of disciplines. Utilizing leadership acumen gained by working at 4 of the nation's largest corporations, he translates his strategic talent acquisition vision into hands-on delivery and execution of solution-based services to meet his clients' needs on a nationwide basis.

With expertise in privately held, highly regulated and publicly traded entities, Jason's well-rounded background uniquely affords Merito Group clients an executive lens on operational and human capital strategies. He has a specific eye on strategic direction for long term talent acquisition and retention strategy in alignment with domestic and international business trends. He receives many referrals because his clients appreciate his enthusiasm and thoughtful support of their business growth and corporate initiatives.

Jason's data analytics, finance, competitive intelligence and business development expertise from middle market to large global corporations enables him to uniquely position himself as a value-added service provider in the human capital and talent acquisition space across multiple industries.

Jason and his wife Evelyn keep very busy with their three children ages 13, 12 & 2
